

Underbody Blade Bid Recommendation

The staff is recommending we award the bid for the underbody blades to Truck and Trailer Specialties of Boyne Falls, Inc.

This is not the lowest bid, but for the price difference of \$346.62 total for the 2 blades we feel the Monroe blade is the best buy.

Total cost for Monroe underbody is = \$12,736.62

Total cost for Root blade is = \$12,390.00

14 Foot Heavy Duty V-Box spreader Recommendation

The staff is recommending we award the bid for the V-Box to Heights Machinery. There was some question as to our specifications, but if you see the letter that is attached I believe these issues are resolved. And the highway do-als are about \$10,000.00 cheaper total if we delete having them painted.

Total cost for the highway do-als without paint = \$46,390.00

Total cost for the Monroe with out paint = \$56,670.80
